REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Augusta Middle School had a very successful year in terms of student performance on statewide testing. We achieved the goal of receiving the South Carolina State Department of Education Palmetto Silver Award for Student Achievement. We are proud of the hard work, effort, and dedication put forth by our students, faculty, and staff at North Augusta Middle School. We appreciate the continued support of our parents and school volunteers.

In an effort to assist our students who need extra help in the areas of Math and English Language Arts, we continued our exploratory classes to offer extra time for small group learning in these areas. We used a variety of teaching strategies in these classes, including technology in our computer labs as well as tutoring to help students improve in these subjects.

In addition to excelling in the classroom, our students also had many opportunities to succeed outside of the classroom. Students from NAMS participated in Region and All County Honor Bands, the DAR Essay Contest, where the state winner was a NAMS student, the Junior Scholars program, the CSRA Science Fair, National Junior Beta Club membership, Engineering and Career Speaker Days, and our Local, District, and Regional Spelling Bee. Our faculty, staff, and students participated in the Walk for a Cure, food collection for Golden Harvest Food Bank, North Augusta Community Christmas Child Project, and the United Way Be a Bunny Program.

NAMS students also have a wide variety of teams, clubs, and activities in which they can participate.

Under the leadership of our SIC Chair, Ms. Michelle Burns, we held our first annual School Beautification Day and provided support for our students, faculty, and staff. I feel that it is a privilege to serve as Principal at North Augusta Middle School and look forward to continued success for our students at NAMS.
